## WHAT IS THE HÆDLINKS PROGRAM?

The Hædlinks Program is an international training experience designed for people who wish to enhance their knowledge and skills in three key areas of global development: international logistics, economic diplomacy and global trade flows.

Powered by The FuturED Institute and supported by the International Green Trade & Commerce Association (IGTCA), this programme combines theory, practice and networking in an immersive and multicultural environment in Panama, a key hub for global connectivity, trade and diplomacy.

Over five days, participants will have access to intensive workshops, institutional visits, professional development sessions and direct interaction with industry experts and leaders, in an experience that promotes strategic thinking and global leadership.

## PROGRAMME OBJECTIVES

This programme delivers an immersive learning experience centred on global economic diplomacy, geopolitical analysis, and international trade dynamics.

Participants in the “GLOBAL ECONOMIC DIPLOMACY AND GEOPOLITICAL DYNAMICS” (GEDGD) will work towards the following outcomes:

- Understanding global trade flows and supply chain dynamics.
- Analysing geopolitical risks and international relations.
- Strengthening diplomacy and negotiation capabilities.
- Developing strategic thinking in global markets.
- Integrating sustainability into international business practices.

## WHO IS THE HÆDLINKS PROGRAM AIMED AT?

- Business Leaders & Entrepreneurs.
- Emerging Professionals & Future Leaders.
- Policy Makers & Government Officials.
- Diplomats & International Organisation Representatives.
- Academics, Researchers & Graduate Students.
- NGO, Civil Society & Sustainability Leaders.

## METHODOLOGY

The programme adopts a practice-oriented methodology designed to translate global economic diplomacy, geopolitical analysis, and trade strategy into actionable insight. Learning is structured around applied analysis, case studies, and expert engagement, enabling participants to connect theoretical frameworks with real-world international dynamics.

Participants engage in expert-led sessions, strategic discussions, and practical exercises focused on trade policy, global governance, economic diplomacy, and sustainability.

The programme is highly interactive, fostering peer exchange, collaborative problem-solving, and direct interaction with professionals and institutional leaders.

All sessions are conducted in English and Spanish, ensuring accessibility for an international audience.

## STRUCTURE OF THE PROGRAMME

- Conferences and intensive workshops with experts.
- Professional development sessions.
- Exclusive visits in Panama.
- Networking and special events.

## CONFERENCES WITH EXPERTS

Sessions led by professionals and high-level figures in diplomacy, trade, and international relations, offering insights into global economic trends, geopolitical challenges, and strategic decision-making.

# ABOUT US

THE **FUTURED** INSTITUTE

HIGHER EDUCATION FOR SUSTAINABLE DEVELOPMENT

The FuturED Institute is an international educational organisation focused on higher education for sustainable development. Founded in Monaco and developed in the UK, it aims to inspire innovative solutions, train future leaders and foster global progress through education that addresses contemporary challenges. With a presence in over 20 countries, a community of over 200 students and a growing network of strategic partnerships, FuturED offers programmes designed to respond to the challenges of the 21st century.

INTERNATIONAL GREEN TRADE & COMMERCE ASSOCIATION

Founded in 2023 in response to public calls made at the United Nations Climate Change Conference COP26 in Glasgow 2021, it has established itself as a leading organisation with members from both the public and private sectors. Its mission is to create a global movement that integrates sustainability into business practices, in collaboration with strategic partners and in alignment with the United Nations Sustainable Development Goals.
