WHAT IS THE HÆDLINKS PROGRAM?

The Hædlinks Program is an international training experience designed for people who wish to enhance their knowledge and skills in three key areas of global development: sustainable entrepreneurship, international diplomacy, and building strategic alliances.

Powered by The FuturED Institute and supported by the International Green Trade & Commerce Association (IGTCA), this programme combines theory, practice, and networking in an immersive and multicultural environment across Amsterdam, Rotterdam, and The Hague, leading European hubs for governance, innovation, and sustainability.

Over five days, participants will have access to intensive workshops, institutional visits, professional development sessions, and direct interaction with industry experts and leaders, in an experience that promotes transformational leadership and strategic thinking.

PROGRAMME OBJECTIVES

This programme is designed to provide participants with a hands-on learning experience in entrepreneurship, sustainable development, and diplomacy. It focuses on three key pillars: social change, innovation, and resource management, equipping attendees with essential skills to navigate complex global challenges, foster collaborative solutions, and exercise responsible leadership in diverse institutional and societal contexts.

Participants in the IMMERSION PROGRAM: SOCIAL ENGINEERING, INNOVATION AND RESOURCE ADMINISTRATION (SEIRA) will be guided towards the following outcomes:

- Strategic insight into social change.
- Innovation as a core discipline.
- Responsible resource stewardship.
- Integration of entrepreneurship, sustainable development, and diplomacy.
- Leadership and collaboration excellence.

WHO IS THE HÆDLINKS PROGRAM AIMED AT?

- Business Leaders & Entrepreneurs.
- Emerging Professionals & Future Leaders.
- Policy Makers & Government Officials.
- Diplomats & International Organisation Representatives.
- Academics, Researchers, & Graduate Students.
- Civil Society & Ngo Leaders.

METHODOLOGY

Given The Netherlands' position as a global hub for business, sustainability, and international relations, The Hædlinks Program explores key thematic areas that shape leadership and innovation. These include:

SOCIAL ENGINEERING AND DIPLOMACY:

Examining governance, peacebuilding, and institutional resilience, with The Hague as a centre of international justice and diplomacy.

INNOVATION AND SUSTAINABLE DEVELOPMENT:

Engaging with Amsterdam's pioneering circular economy models, progressive urban policies, and entrepreneurial approaches to sustainability and impact.

RESOURCE ADMINISTRATION AND GLOBAL TRADE:

Analysing Rotterdam's role as Europe's largest port, a hub of logistics, energy transition, and circular economy initiatives that exemplify stewardship at scale.

STRUCTURE OF THE PROGRAM

- Conferences and intensive workshops with experts.
- Professional development sessions.
- Exclusive visits in Amsterdam, Rotterdam and The Hague.
- Networking and special events.

CONFERENCES WITH EXPERTS

Sessions led by leading figures in diplomacy, business, development and sustainability. These talks offer a privileged insight into the trends, challenges and opportunities of the current international context.

ABOUT US

The FuturED Institute is an international educational organisation focused on higher education for sustainable development. Founded in Monaco and developed in the UK, it aims to inspire innovative solutions, train future leaders and foster global progress through education that addresses contemporary challenges. With a presence in over 20 countries, a community of over 200 students and a growing network of strategic partnerships, FuturED offers programmes designed to respond to the challenges of the 21st century.

Founded in 2023 in response to public calls made at the United Nations Climate Change Conference COP26 in Glasgow 2021, it has established itself as a leading organisation with members from both the public and private sectors. Its mission is to create a global movement that integrates sustainability into business practices, in collaboration with strategic partners and in alignment with the United Nations Sustainable Development Goals.
