WHAT IS THE HÆDLINKS PROGRAM?

The Hædlinks Program is an international training experience designed for people who wish to enhance their knowledge and skills in three key areas of global development: sustainable entrepreneurship, international diplomacy and building strategic alliances.

Powered by The FuturED Institute and supported by the International Green Trade & Commerce Association (IGTCA), this programme combines theory, practice and networking in an immersive and multicultural environment, located in the city of London, a global epicentre for business, sustainability and international cooperation.

Over five days, participants will have access to intensive workshops, institutional visits, professional development sessions and direct interaction with industry experts and leaders, in an experience that promotes transformational leadership and strategic thinking.

PROGRAMME OBJECTIVES

The programme provides participants with practical tools, up-to-date knowledge and valuable connections to make a positive impact in their professional and community environments.

Through a dynamic and interdisciplinary methodology, the Hædlinks Program aims to:

- Develop entrepreneurial mindset
- Understand sustainable development principles
- Enhance diplomacy & negotiation skills
- Foster global partnerships
- Apply practical knowledge
- Expand cross-cultural awareness
- Trengthen leadership & decision-making

ABOUT US

THE FUTURED INSTITUTE™

HIGHER EDUCATION FOR SUSTAINABLE DEVELOPMENT

The FuturED Institute is an international educational organisation focused on higher education for sustainable development. Founded in Monaco and developed in the UK, it aims to inspire innovative solutions, train future leaders and foster global progress through education that addresses contemporary challenges. With a presence in over 20 countries, a community of over 200 students and a growing network of strategic partnerships, FuturED offers programmes designed to respond to the challenges of the 21st century.

IGTCA

INTERNATIONAL GREEN TRADE & COMMERCE ASSOCIATION

Founded in 2023 in response to public calls made at the United Nations Climate Change Conference COP26 in Glasgow 2021, it has established itself as a leading organisation with members from both the public and private sectors. Its mission is to create a global movement that integrates sustainability into business practices, in collaboration with strategic partners and in alignment with the United Nations Sustainable Development Goals.
